Aeth ymlaen i gadarnhau bod 5 munud wedi'i neilltuo ar gyfer yr eitem yn unol â Rheolau Sefydlog y cyngor ond roedd yn gosod terfyn o 15 munud ar gyfer yr eitem cyn bwrw ymlaen â'r agenda. Ychwanegodd hefyd pe bai'n teimlo bod y drafodaeth yn mynd y tu hwnt i'r eitem yna byddai'r mater yn dod i ben.</p>	<p>matter is out of the Community Council hands. He went on to confirm that 5 minutes is allotted for the item as per the council's Standing Orders but he was setting a limit of 15 minutes for the item before proceeding with the agenda. He also added that if he felt the discussion went beyond the item then the matter would be brought to a close.</p>
127/2425	<p>Croesfan Cerddwyr Ffordd yr Orsaf Diolchodd Mrs Ffion Parry i'r cyngor am y cyfle i siarad. Dywedodd ei bod wedi cynnal cyfarfod cyhoeddus ar 24/9/24 gan ei bod yn poeni'n fawr am ddiogelwch y groesfan. Dywedodd fod ganddi 6 phwynt i'w godi:</p> <ol style="list-style-type: none"> 1. Beth yw enw'r groesfan yw hi'n groesfan i gerddwyr, pelican neu sebra? Mae angen eglurder; 2. Wardeniaid traffig – faint sydd yna ar Ynys Môn? Mae 7 tocyn parcio wedi'u cyhoeddi. Gofynnodd am dystiolaeth o'r rhain h.y. dyddiadau rhoddyd allan 3. Y groesfan – pam nad yw wedi ei chodi fel y croesfannau ym Mae Trearddur neu i'r rhai y tu allan i ysgolion? Cyfeiriodd at ymateb Mr H Percy o'r Awdurdod Lleol a gofynnodd am eglurder. 4. Llinellau melyn dwbl - dywedodd nad oedd hi'n cytuno ag ymateb yr Adran Brifffyrrd fod pobl yn parcio ar linellau melyn dim ond i alw heibio'r swyddfa bost ac ymhelaethodd ar y cynnydd yn nifer yr ymwelwyr i siopau dros y 3/4 blynedd diwethaf ar ôl cau banciau, a gyda bancio ar-lein ac ati ac mae ciwiau yn swyddfa'r post oherwydd y galw. 5. ANPR Camera – gofynnodd am gamerâu i'w gosod ac mae'n credu y byddai'r buddsoddiad yn gost-effeithiol gan y byddai'n talu am eu hunain. Roedd hi'n teimlo mai dyma'r peth fyddai'n atal pobl. Rhoddodd engrheifftiau o barcio anghyfreithlon sy'n achosi peryglon diogelwch i gerddwyr yn ddyddiol. 6. Gostyngiad i barth 20mya ar hyd Ffordd yr Orsaf. <p>Gwahoddodd y Cadeirydd y swyddogion o'r Awdurdod Lleol i ymateb gan ei fod yn teimlo bod y cwestiynau a ofynnwyd yn rhai technegol ac nad oeddent ar gyfer y Cyngor Cymuned.</p> <p>Pwysleisiodd Mrs Parry mai dyma'r cwestiynau a ofynnwyd iddi ganaelodau'r cyhoedd. Doedd hi ddim yn disgwyli ymateb</p>	<p>Pedestrian Crossing Station Road Mrs Ffion Parry thanked the council for the opportunity to speak. She advised that she had held a public meeting on 24/9/24 as she is very concerned over the safety of the crossing. She said that she had 6 points to raise:</p> <ol style="list-style-type: none"> 1. What is the name of the crossing is it a pedestrian crossing, pelican or zebra? Clarity is required; 2. Traffic wardens – how many are there on Anglesey? 7 parking tickets have been issued. She requested evidence of these i.e. dates of issue 3. The crossing – why has it not been raised like the crossings in Trearddur Bay or for those outside schools? She referred to the response from Mr H Percy from the Local Authority and requested clarity. 4. Double yellow lines – she advised that she did not agree with the Highways Department's response that people park on yellow lines just to pop into the post office and she elaborated on the increased footfall into shops over last 3/4 years following closure of banks, and with online banking etc and there are queues at the post office due to demand. 5. ANPR Camera – she requested cameras to be installed and believes that the investment would be cost effective as it would pay for itself. She felt this was the thing that would stop people. She gave examples of illegal parking that caused safety hazards for pedestrians on a daily basis 6. Reduction to 20mph zone along Station Road. <p>The Chair invited the officers from the Local Authority to respond as he felt that the questions that were asked were technical and were not for the Community Council.</p> <p>Mrs Parry stressed that these were the questions posed to her from members of the public. She did not expect a response this evening and that she was meeting with highways officers from the Local Authority tomorrow [17/10/24] and that she</p>

<p>heno a'i bod yn cyfarfod â swyddogion priffyrrd o'r Awdurdod Lleol yfory [17/10/24] ac y byddai'n gofyn y cwestiynau hyn iddyn nhw eto.</p> <p>Rhoddodd y Cynghorydd G Jones gefndir ar y mater. Dywedodd fod Cyngorwyr Sir wedi bod yn lobio ers sawl blwyddyn i gael y groesfan hon yn Y Fali. Roedd cytundeb ychydig flynyddoedd yn ôl ond ar y pryd roedd gwrtwynebiad gan fnesau lleol. Roedd y problemau diogelwch ar y ffyrdd yn parhau ac yn dwyshau. Nid yn unig yr oedd trigolion lleol yn gofyn, ond roedd plant ysgol hefyd yn gofyn am groesfan ac felly parhaodd y Cyngorwyr Sir i bwysio ar yr Awdurdod Lleol am groesfan. Yn y pen draw, llwyddodd Swyddogion Prifyrdd i cael grant gan Lywodraeth Cymru i ariannu'r cynllun.</p> <ol style="list-style-type: none"> 1. Cadarnhaodd Mr Alun Roberts mai croesfan Zebra oedd statws y groesfan. 2. Cadarnhaodd fod 5 Warden Traffig ar yr Ynys, rhai yn llawn amser a rhai rhan amser. Dywedodd y gallai gasglu'r dystiolaeth yngylch tocynnau parcio erbyn y cyfarfod yfory [17/10/24]. 3. Croesfan Twmpath – dywedodd fod rheoliadau mewn perthynas â gosod 'croesfan twmpath'. Nid oedd y math hwn yn briodol ar gyfer y groesfan hon oherwydd statws y ffordd. 4. Llinellau Melyn Dwbl – mewn perthynas â gorfodaeth dywedodd y swyddog nad oes modd gosod dirwy yn syth gan fod 'cyfnod o wyllo cerbyd' yn bodoli. Mae'n bosib i bobl ddadlwytho ac mae yna ofyniad i weld a phrofi nad yw hynny'n digwydd cyn gosod dirwy. Ychwanegodd ei fod yn digwydd mewn sawl ardal lle gall pobl fynd i mewn i siop a gadael yn ystod y cyfnod 'gwylio' hwnnw sy'n atal tocyn parcio rhag cael ei roi. Aeth ymlaen i ddweud bod y rheoliadau'n wahanol ar gyfer llinellau zig ogâg, lle gellir dirwyio ar unwaith. 5. Camera ANPR – Nid yw'r Awdurdod Lleol yn gweithredu camerâu o'r fath ar Ynys Môn. Fe allai'r Awdurdod wneud hynny yn y dyfodol gydag uned symudol. Efallai y bydd opsiwn i gydweithredu â chyngorau eraill i gael uned symudol rhanbarthol i osod dirwyon parcio o'r fath. 	<p>would pose these questions to them again.</p> <p>County Cllr G Jones gave background on the matter. He stated that County Councillors had been lobbying for several years to get this crossing in Valley. There was agreement a few years ago but at the time there was opposition from local businesses. The road safety issues remained there and became more intense. Not only were local residents asking, but school children were also asking for a crossing and therefore the County Councillors continued to press the Local Authority for a crossing. Eventually Highways Officers succeeded in obtaining a grant from Welsh Government to fund the project.</p> <ol style="list-style-type: none"> 1. Mr Alun Roberts confirmed that the status of the crossing was a Zebra crossing. 2. He confirmed that there are 5 Traffic Wardens on the Island, some full time and some part time. He advised that he could gather the evidence regarding parking tickets by the meeting tomorrow [17/10/24] 3. Hump crossing – he advised that there are regulations in relation to installing a 'hump crossing'. This type was not appropriate for this crossing due to the status of the road. 4. Double Yellow lines – in relation to enforcement the officer advised that no fine can be imposed immediately as there is a 'period of viewing a vehicle'. It is possible for people to unload and there is a requirement to view and prove that that is not happening before imposing a fine. He added that it does happen in many areas where people can go into a shop and leave during that 'viewing' period that prevents a parking ticket from being given. He went on to say that the regulations are different for zig zag lines, where a parking ticket can be issued immediately. 5. ANPR Camera – The Local Authority does not operate such cameras on Anglesey. The Authority may do so in future with a mobile unit. There may be an option to cooperate with other Councils to have a mobile unit across the region to impose parking fines.

	<p>6. Cadarnhaodd y swyddog hefyd fod y groesfan o fewn ardal 20mya.</p> <p>Gofynnodd Mrs Parry a fyddai modd cyflogi cwmni preifat i ddarparu'r gwasanaeth Camera ANPR. Cadarnhaodd y Swyddog y byddai'n rhaid edrych ar y gost, ond efallai mai gweithio'n rhanbarthol fyddai'f ffordd ymlaen.</p> <p>Ychwanegodd Mr Alwyn Parry, mewn perthynas â'r cynllun croesi, ei fod wedi cadarnhau bod problemau gyda llif dŵr arwynebol. Byddai angen draeniau newydd am kost sylweddol pe bai'r groesfan yn cael ei chodi. Hefyd, ystyriwyd gosod rheiliau gwarchod yn y cam dylunio. Gwrthodwyd hyn yn bennaf oherwydd lled cul y palmant.</p> <p>Gofynnodd Mrs Parry a fyddai'r Awdurdod yn rhoi ystyriaeth bellach i adeiladu croesfan twmpath i wella diogelwch ar y ffordd. Awgrymodd y swyddog fod diffyg cod priffyrrd yn amlwg a'i fod yn hapus i asesu'r sefyllfa ond nid yw'n glir y byddai pobl yn rhoi'r gorau i barcio yno.</p> <p>Ychwanegodd y Cynghorydd Sir Ken Taylor fod yr un sefyllfa yn bodoli mewn sawl tref a phentref ar Ynys Môn a thu hwnt. Cydnabyddir nad oes digon o wardeiniaid traffig ond bod arian yn dynn i bob Awdurdod Lleol ac nad ydynt yn gallu cyflogi mwy. Nododd ei bod yn ymddangos bod pobl wedi anghofio pa mor beryglus yr arferai fod ar y rhan hon o'r ffordd. Mae Cyngorwyr Lleol wedi brwydro ers blynnyddoedd i gael croesfan yno ac roedd yn teimlo bod y sefyllfa'n llawer gwell rwan nag arferai fod yn arbennig yn yr haf. Roedd yn teimlo mai'r unig ffordd i atal pobl yw rhoi tocynnau parcio a'u dirwyo.</p> <p>Gan na chynigiwyd unrhyw sylwadau eraill, daeth y Cadeirydd â'r mater i ben a diolchodd i bawb. Gadawodd pob aelod o'r cyhoedd y cyfarfod.</p>	<p>6. The officer also confirmed that the crossing is within the 20mph area.</p> <p>Mrs Parry asked if a private company could be employed to provide the ANPR Camera service. The Officer confirmed that the cost would have to be looked at, but working regionally may be the way forward.</p> <p>Mr Alwyn Parry added, in relation to the crossing design, he confirmed that there were problems with the flow of surface water. New drains would be required at significant cost if the crossing was raised. Also, the installation of guard rails was considered at the design stage. This was discounted mainly due to the narrow width of the pavement.</p> <p>Mrs Parry asked whether the Authority would give further consideration to building a humped crossing to improve the road safety. The officer suggested that a lack of highway code was evident and he was happy to assess the situation but it is unclear whether people would stop parking there.</p> <p>County Councillor Ken Taylor added that the same situation exists in many towns and villages on Anglesey and beyond. It is acknowledged that there are not enough traffic wardens but money is tight for every Local Authority and they are unable to employ more., He noted that people seem to have forgotten how dangerous it used to be on this stretch of road. Local Councillors have battled for years to get a crossing there and he felt that the situation is far better now than it used to be especially in summer. He felt that the only way to stop people is to issue parking tickets and fine them.</p> <p>As no other observations were offered, the Chair brought the matter to a close and thanked everyone. All members of the public left the meeting.</p>
143/2425 (1)	<p>Derbyn adborth gan:</p> <ol style="list-style-type: none"> 1. Cyngor Sir <p>Roedd Mr Alun Roberts am ymgynghori gyda'r cyngor cymuned ar y terfyn cyflymder o 20mya yn y pentref. Nododd fod y cyfyngiad wedi bod ar waith ers dros flwyddyn ac ers ei weithredu mae'r Llywodraeth wedi bod yn awyddus i dderbyn adborth ar sut mae'r cyfyngiad yn gweithio. Mae'r Cyngor wrthi'n adolygu'r cyfyngiadau</p>	<p>To receive feedback from:</p> <ol style="list-style-type: none"> 1. 	<p>presennol. Un cyfyngiad sy'n cael ei adolygu yw'r terfyn cyflymder ar yr A5 ar y ffordd i mewn i'r Fali o'r Cob. Cafodd y cyfyngiad o 40mya ei gyflwyno ar y darn o ffordd rhwng y Cob a chyn yr 20mya i mewn i'r pentref. Y teimlad yw bod teithio i'r Fali ar 40 mya braidd yn araf cyn cyrraedd y gyffordd i Gorad. Mae sylw wedi'i wneud, a'r cwestiwn yw, a oes cefnogaeth i ymestyn y 40mya i gyffordd y Gorad yna dechrau'r 20mya o'r pwynt hwnnw ymlaen? Roedd yn awyddus i dderbyn barn Cyngor Cymuned ar y mater. Os oes cefnogaeth yna gallai'r Awdurdod ddechrau'r broses briodol o ymgynghori â'r cyhoedd.</p> <p>Gofynnodd y Cyngorydd Taylor a fyddai modd gostwng 40mya i 30mya cyn 20Mya ar gyffordd Gorad. Pwysleisiodd Mr Roberts fod canllawiau Llywodraeth Cymru yn mynnu nad ydyn nhw eisiau gormod o gyfyngiadau ar hyd unrhyw ddarn o ffordd ac i osgoi cyfyngiadau byr ar unrhyw ffordd hyd h.y. am 600m neu 300m fel arfer mewn amgylchiadau eithriadol. Awgrymodd Mr Roberts i barhau â'r 40mya i Gyffordd y Gorad a gosod gwaharddiad o 20mya o'r pwynt hwnnw ymlaen.</p> <p>Gwnaeth y Cyngorydd C Thornhill y pwynt y byddai'n gam gwael i ymestyn y 40mya i'r gyffordd. Mae ef a'i gymdogion sy'n byw ar hyd y darn hwn o'r ffordd, eisoes yn gwybod nad yw cerbydau'n arafu drwy'r darn 40mya. Mae gwyliadau cyflymder wedi cael eu cynnal yno ac roedd y cyfartaledd cyflymder ceir yn 50mya drwy'r part 40mya. Felly, nid yw llawer o gerbydau yn arafu i lawr i 20mya pan fyddant yn cyrraedd y pentref. Pe bai'r terfyn o 20mya yn cael ei symud byddai angen gwneud rhywbeth i arafu traffig cyn iddynt gyrraedd y gyffordd. Hefyd, mae cerbydau sy'n teithio'r ffordd arall yn cyflymu ymhell cyn cyrraedd y 40mya ac fel arfer maent hyd at derfyn cyflymder cenedlaethol yn y part 40mya. Mae angen gwneud rhywbeth i arafu traffig ar y pwynt hwnnw.</p> <p>Roedd y Cyngorydd Tuck a Swaine - Willimas yn pryderu am blant ysgol yn croesi dros yr A5 o Gorad i fynd dros allt yr or saf. Nid oes unrhyw berson lolipop bellach yn cael ei gyflogi i arwain traffig yno. Byddai newid y cyfyngiad yn fwy peryglus. Roedd y Cyngorydd Swaine-Williams hefyd yn pryderu bod llawer o bobl hŷn yn byw yng Ngorad sy'n croesi drosodd ar y pwynt</p> <p>is the speed limit on the A5 on the way into Valley from the Cob. The 40mph restriction was introduced at the stretch of road between the Cob and before the 20mph into the village. The feeling is that travelling into Valley at 40 mph is rather slow before reaching the junction for Gorad. An observation has been made, and the question is, is there support to extend the 40mph to the Gorad junction then start the 20mph from that point forward? He was keen to receive the community council's views on the matter. If there is support then the Authority could commence the due process of consultation with the public.</p> <p>Cllr Taylor asked if 40mph could be reduced to 30mph before 20Mph at the Gorad junction. Mr Roberts stressed that guidance from Welsh Government dictates that they do not want too many restrictions along any stretch of road and to avoid short restrictions on any length road i.e. normally for 600m or 300m in exceptional circumstances. Mr Roberts suggested to continue the 40mph to the Gorad Junction and set a restriction of 20mph from that point forward.</p> <p>Cllr C Thornhill made the point that it would be a bad move to extend the 40mph to the junction. He and his neighbours who live along this stretch of road, already know that vehicles do not slow down through the 40mph stretch. Speed watches have been conducted there and the average vehicle speed proved to be 50mph through the 40mph zone. Therefore, many vehicles are not slowing down to 20mph when they reach the village. If the 20mph limit was to be moved something would need to be done to slow traffic down before they reach the junction. Also, vehicles travelling the other way accelerate way before the reach the 40mph and are usually up to national speed limit in the 40mph zone. Something needs to be done to slow traffic down at that point.</p> <p>Cllrs Tuck and Swaine-Williams were concerned over school children crossing over the A5 from Gorad to go over the station hill. There is no longer a lollipop person employed to guide traffic there. Changing the restriction would be more hazardous. Cllr Swaine-Williams also concerned that there are also a lot of older people resident in Gorad who cross over at that point. She noted vehicles do not stick to the 20mph and it is</p>

	<p>hwnnw. Nododd nad yw cerbydau'n cadw at yr 20mya ac mae'n beryglus. Pwysleisiodd y Cynghorydd Browne hefyd fod llwybr cyhoeddus sy'n croesi drosodd ar y pwnt hwnnw hefyd ac mae llawer o gerddwyr yn cerdded o'r cob ac yn croesi i'r llwybr troed. Roedd yn teimlo y byddai'n fwy synhwyrol i leihau'r cyflymder o 40mya i 30mya ac yna i 20mya. Cytunodd y Cynghorydd W Rogerson hefyd i leihau'r 40mya i lawr i 30mya ar hyd y darn cyfan cyn y terfyn 20mya presennol.</p> <p>Dyweddodd Mr Roberts fod canllawiau ar gyfer gwarharddiad 20mya yn ystyried faint o dai sydd yn y part. Ggan fod ond ychydig o eiddo yn y part mai dyna pam mae'r ardal yma odan ystyriaeth. Nid oes canllawiau o'r fath hyd yma mewn perthynas â cyfyngiadau 30mya a 40mya.</p> <p>Dyweddodd y swyddog fod llythyr wedi'i gyhoeddi i ymgynghori ar yr 20mya yn gyffredinol ac mae'r awdurdod yn croesawu adborth mewn perthynas â gwaharddiadau gweddill y pentref. Ond mae'r ardal hon o'r cob i'r pentref yn benodol wedi cael ei nodi am adolygiad.</p> <p>Gofynnodd y Cynghorydd H Willimas a ellir gosod mwy o arwyddion cyflymder yn gyffredinol h.y. wrth i chi ddod i'r Fali cyn y groesfan sebra ac o'r Fali i Bont Rhyd y Bont. Dywedodd Mr Parry nad yw arwyddion ailadrodd fel arfer yn cael eu gosod mewn parthau 20mya fel yn y cyfyngiad 30mya blaenorol. Os ydych chi mewn ardal gyda goleuadau stryd ac ati yna mae hynny'n golygu eich bod chi'n dal mewn part 20mya. Mae arwyddion ailadrodd yn cael eu gosod mewn ardaloedd lle nad oes goleuadau stryd.</p> <p>Dyweddodd y Cynghorydd G Browne fel cadeirydd y Corff Llywodraethol Ysgolion y dylid cynnal 20mya o amgylch rhannau o'r ysgol ac yn wir y croesfannau sy'n arwain at yr ysgol i amddiffyn y plant.</p> <p>Bydd y clerc yn anfon sylwadau'r Cyngor at yr Awdurdod yn dilyn y cyfarfod hwn.</p> <p>Aeth y Cadeirydd ymlaen i ddiolch i'r Swyddogion am yr holl waith maent wedi'i wneud gyda'u hymateb i'r cyhoedd yn Y Fali mewn perthynas â'r groesfan sebra.</p> <p>Gadawodd Mr Roberts a Mr Parry y cyfarfod.</p>	<p>dangerous. Cllr Browne also emphasised that there is also a public footpath that crosses over at that point and there is a lot of pedestrians that walk from the cob and cross onto the footpath. He felt it would be more sensible to reduce the speed from 40mph to 30 mph and then to 20mph. Cllr W Rogerson also agreed reducing the 40mph down to 30mph along the whole stretch before the current 20mph limit. Mr Roberts advised that guidelines in relation to 20mph considers the density of properties in the restricted area and given the sparse nature of properties at that particular point this is why this area is being looked at. There is no such guidance as yet in relation to 30mph and 40mph restrictions.</p> <p>The officer advised that a letter has been issued to consult on the 20mph in general and the authority welcomes feedback in relation to all the restrictions in the village. But this area from the cob to the village in particular has been identified for review.</p> <p>Cllr H Willimas asked could more speed signs can be put up generally i.e. as you come into Valley before the zebra crossing and from Valley to Four Mile Bridge.</p> <p>Mr Parry advised that repeater signs are not normally put up in 20mph zones as was for the previous 30mph restriction. If you are in an area with street lighting etc then that signifies that you are still in a 20mph zone. Repeater signs are installed in areas where there is no street lighting.</p> <p>Cllr G Browne advised as chair of the School Governing Body that 20mph should be maintained around areas of the school and indeed the crossings leading to the school to protect the children.</p> <p>The clerk will forward the Council's observations to the Authority following this meeting.</p> <p>The Chair went on to thank the Officers for all the work they have done with their response to the public in Valley in relation to the zebra crossing.</p> <p>Mr Roberts and Mr Parry left the meeting.</p>
