Prosiect Strydoedd Ysgol Mae Gwasanaeth Dysgu a Gwasanaethau Priffyrdd, Gwastraff ac Eiddo yr Awdurdod Lleol wedi sicrhau grant gan Lywodraeth Cymru ar gyfer datblygu a gweithredu menter Stryd yr Ysgol. Mae cynllun Strydoedd Ysgol yn fenter sydd â'r nod o wella diogelwch, ansawdd aer, a lles cyffredinol o amgylch ysgolion. Mae'n golygu cyfyngu ar fynediad cerbydau modur dros dro i'r strydoedd ger ysgol yn ystod amseroedd gollwng a chasglu. Mae hyn yn sicrhau amgylchedd mwy diogel a thawel i blant gerdded, beicio neu sgwtera i'r ysgol. Yr amseroedd gweithredol ar gyfer cau'r ffordd fyddai yn ystod amseroedd gollwng a chasglu'r ysgol (8.00-9.00am a 2.30-4.00pm o ddydd Llun i ddydd Gwener, yn ystod y tymor yn unig). A School Streets scheme is an initiative aimed at improving safety, air quality, and overall wellbeing around schools. It involves temporarily restricting motor vehicle access to the streets near a school during drop-off and pick-up times. This ensures a safer and calmer environment for children to walk, cycle, or scoot to school. The operational times for the road closure would be during school drop-off and pick-up times (8.00-9.00am and 2.30-4.00pm Monday to Friday, during term-time only). During the road closure, a barrier will be in place to prevent people from driving through the closure during the operational times. These temporary

Ni fydd y cyfyngiadau dros dro hyn yn berthnasol i breswylwyr / safleoedd busnes ar hyd unrhyw ffyrdd o fewn y cyfyngiad, gwasanaethau brys, cludiant ysgol, deiliaid bathodynau glas, danfoniadau, na gofalwyr preswylwyr.</p> <p>Mae Ethos Consultants Ltd wedi cael eu dewis i gynnal astudiaeth cymhwyster ar gyfer y fenter ar draws yr ynys. Mae Ysgol Gymuned Y Fali yn un o bedair ysgol a nodwyd i'w hystyried.</p> <p>Mynegodd yr aelodau bryder nad oedd y cyngor yn cael gwybod am y prosiect ac yn wir nid oedd gan yr ysgol ei hun unrhyw wybodaeth tan yn ddiweddar. Byddai'r cyhoedd yn disgwyl i'r cyngor cymuned gael barn ar y mater.</p> <p>Mae'r pryderon a godwyd yn cynnwys:</p> <ul style="list-style-type: none"> • Effaith ar Tan y Bryn yn ystod amser gollwng yr ysgol gyda cheir yn pentyrru, ystâd sydd eisoes yn llawn tagfeydd gyda cherbydau preswyl • Pont gul dros y rheilffordd ar Lon Spencer gyda llwybrau â gordyfiant a phalmant cul a pharcio cyfyngedig wrth y fynedfa i ystâd Tan y Bryn • Nifer fwy o blant o bosibl o ardal Gorad – dim croesfan i gerddwyr wrth y gyffordd i Spencer Road o'r A5, Dim gwasanaeth 'dyn / menyw lolipop'. Cynnig i symud cyfyngiad o 20mya yn agosach at gyffordd Spencer Road gyda photensial traffig yn dal i deithio ar 40mya ar hyn o bryd. • Mae Ffordd yr Orsaf B4545, yn ffordd brysur gyda pharcio ar y stryd i breswylwyr. Byddai ceir ychwanegol yn pentyrru yma yn ystod oriau cyrchu i'r ysgol yn beryglus i blant ysgol a mamau ifanc sydd â phramiau sy'n dymuno mynychu'r Caban. Cylhau llif traffig o bosib yma. • Disgwylir i'r Caban, ger yr Ysgol agor ym mis Mawrth 2025 gyda phlant bach o 18 mis oed yn mynychu. Mae'n bosibl ei bod yn rhy bell i blant bach gerdded i'r Caban o gartref neu ar hyd yr ardal gyfyngedig. • Mae maes parcio ar gael yn y Caban ar gyfer mamau sy'n mynychu gyda phlant ifanc • Mae maes parcio ar gael yn yr ysgol ar gyfer cyrchu plant i'r ysgol. • Mae rhwystrau ffordd eisoes ar waith fel mesurau tawelu traffig • Mae'r B4545 ar gau yn rheolaidd 	<p>restrictions will not apply to residents / business premises along any roads within the closure, emergency services, school transport, blue badge holders, deliveries, and carers of residents.</p> <p>Ethos Consultants Ltd have been selected to conduct a qualification study for the initiative across the island. Ysgol Gymuned Y Fali is one of four school identified for consideration.</p> <p>Members expressed concern that the council were not advised of the project and indeed the school itself had no knowledge until recently. The public would expect the community council to have a view on the matter.</p> <p>Concerns raised includes:</p> <ul style="list-style-type: none"> • Impact on Tan Y Bryn during school drop off time with cars stacking up, an estate already congested with resident vehicles • Narrow bridge over the railway on Spencer Rd with overgrown pathways and narrow pavement and limited parking at the entrance to Tan y Bryn estate • Potential increased numbers of children from Gorad area – no pedestrian crossing at the junction to Spencer Road from the A5, no 'lollipop man/woman' service. Proposal to move 20MPH restriction closer to the Spencer Road junction with potential of traffic still travelling at 40MPH at this point. • The B4545 Station Road, is a busy Road with resident on-street parking. Additional cars stacking up at this point during school drop off here would be hazardous for school children and young mothers with prams wishing to attend the Caban. Potential bottle neck for through traffic. • The Caban, adjacent to the School is due to open in March 2025 with toddlers aged from 18 months attending. It is possibly too far for toddlers to walk to the Caban from home or along the restricted area. • A car park is available at the Caban for mothers attending with young children • A car park is available at the school for school drop-offs. • Road bumps are already in place as traffic calming measures • The B4545 is closed on a regular basis at the level crossing during high winds.
